

Step 3 – Start Designing!

Time to get creative!
 Use the App to take and upload pictures of your best doodles!
 You can also use art from the Hello Blink image library. Then simply print and color!
 Use your stickers to decorate all your favorite things!

We'd love to see the amazing stickers you create! Be sure to tag us on social media - [@buffalogamesinc](#)

Creative Tips:

- Once your sticker has printed give it a few minutes for the ink to dry before you decorate it or stick it.
- Color your own art, snap a photo, upload to the app and make your art into a sticker!
- Use the included sticker sheets to add fun and creativity to your stickers.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
 This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 –Reorient or relocate the receiving antenna.
 –Increase the separation between the equipment and receiver.
 –Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 –Consult the dealer or an experienced radio/TV technician for help.

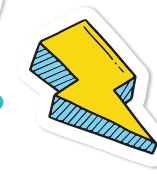

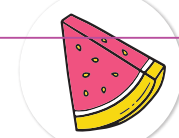

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

INSTRUCTIONS

Welcome to the world of Hello Blink! You're just a few short steps away from creating, printing and customizing your own stickers! Follow the guide below to set up your Sticker Maker and then let your imagination run wild!

Step 1 – Load The Sticker Rolls

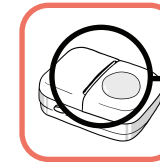

Follow the three steps below to load paper into your Sticker Maker:

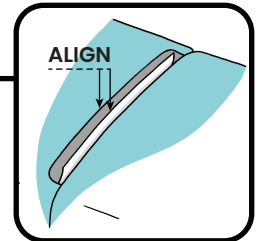

Open your device by pushing the buttons on the sides, at the same time.

Load paper ensuring that the end of the roll is facing the front of the device.

Close the device with the end of the sticker roll pulled through the opening.

IMPORTANT
 When the device is closed, the end of the sticker roll must align with the top of the unit

Step 2 – Download the App

You must download the Hello Blink App to use the Sticker Maker. Download the App from the Apple or Android App Store by searching Hello Blink and looking for the icon above. Open the app and follow the instructions to connect your Sticker Maker to your phone via Bluetooth.
